Information From Your Board of Trustees

INTRODUCING YOUR NEW FIREFIGHTERS & MEDIC UNIT

On Sunday, May 6th at the Central Fire Station, Fire Chief Charles Shalenberger, along with the Plain Township Board of Trustees, swore in 12 new firefighters to the Plain Township Fire Department. In

attendance were family and friends of the new hires, along with current firefighters and staff from the department. While addressing the crowd, Chief Shalenberger stated; "Not only are we hiring personnel that meet qualifications, but those who excel in compassion, integrity, and trust. The goal is always to go the extra step for the residents and visitors of Plain Township". This hiring increases the departments staffing from 43 Firefighters to 52 Firefighters. The new hires are scheduled and

working as of the swearing in to immediately start their service to our community. The Board of

Trustees is incredibly proud our newest employees. The Fire Department has taken delivery of a New 2017 International/Lifeline custom Medic Unit. New Medic 4 has been placed into service at Fire Station #4 at 7858 Market Avenue North. This New Ambulance will allow the department to decommission a 1999 Ford/McCoy Miller from that same station. It comes with the latest safety features, such as a backing camera, patient compartment seatbelts, and a Stryker cot loading system. Purchasing of this vehicle was done in accordance to the fire departments master vehicle replacement plan.

E-Waste Recycling

Due to ongoing technological advancement, many electronic products become obsolete within a very short period of time, creating a surplus of unwanted electronic products or "E-waste." Disposing of E-waste in landfills has the potential to cause severe human and environmental health impacts. Plain Township will be accepting E-waste at the Plain Township Hall parking lot, 2600 Easton Street NE, on Saturday, September 22nd from 10:00am – 2:00pm. This event is being hosted by Plain Township and ecycle Solutions of Ohio is providing the recycling services. Visit our website at www.plaintownship.com for a complete list of items that will be accepted. Please note that fees apply for some items. Basically, if it plugs in, or works off a battery, we will take it!

A Day at the Beach

From fishing and swimming to boating and birding, Northeast Ohioans enjoy spending time on the water. But a day at the beach and the near-shore habitat that fish, birds and other wildlife depend on can be easily ruined by ignorance and carelessness. Do your part to care for Lake Erie and our local waterways by following these **Guidelines for Responsible Recreation:**

Fishing

- Collect all used fishing line and recycle it—look for a container like the one pictured to the right. At the very least, collect your used line and any other line you may encounter and dispose of it in a trash can.
- Use only lead-free sinkers and other fishing products.
- Don't release live bait into the water or at the shore—they may be a nuisance or invasive species.
- Follow local catch-and-release and bag limit regulations to ensure a sustainable fishery.

Boating

- Keep your engine clean and in proper order to minimize oil & gas leaks.
- Clean with a sponge and plain water whenever possible. When you must use soap, utilize non-toxic, biodegradeable, phosphate-free soap in small quantities.
- Prevent the spread of invasive species by practicing the Clean, Drain, Dry method on all equipment.
- Take the Ohio Sea Grant Clean Border Pledge at watercraft.ohiodnr.gov/cleanboating Beachgoing
- Pack your trash up and make sure it gets in a trash can. Litter left carelessly on the beach ensnares wildlife and adds to the growing plastic pollution problem in Lake Erie. Plastic six-pack rings, fishing line and balloons are especially dangerous for wildlife.
- Don't dispose of cigarette butts or cigar tips on the ground– they are toxic to wildlife, which often mistakes them for food.

For more information on how to reduce storm water pollution, contact **Stark Soil & Water** at **(330)451-7645** or visit their website at **www.starkswcd.org**

License Plate and Gasoline Taxes

Of the many great things about summertime, few match the fun of a family road trip. Before you hook up that new boat or camper or hit the road with your family or friends in your car, SUV, pickup, or RV, make sure you fill your gas tank up at local gas stations in Plain Township. It's always a good idea to "shop local", especially when filling your gas tank. Plain Township receives a portion of the gasoline tax from sales at gas stations located within the

Township. The Plain Township Road Department receives this money and uses it towards maintaining township roads.

Also, double check your Certificate of Registration for your motor vehicles and make sure that if you live within Plain Township that the tax district is shown as "Plain Township" on your registration. Why? Because a portion of the fee you pay to renew your license plates is returned to the tax district you live in. Plain Township uses this money to purchase road salt which helps maintain the safety of the roadways in the winter months. Thank you for helping keep Plain Township tax dollars here in our community.

Plain Township Purple Heart Day

The Plain Township Board of Trustees by way of proclamation, designated **August 7th** as **Plain Township Purple Heart Day**, as it is also National Purple Heart Day. The Township will fly its Purple Heart Flag at Veterans Park on that day to commemorate the service and sacrifices of all veterans wounded in combat. Please stop by the Plain Township Veterans Memorial throughout the day and evening to honor our Nation's Purple Heart recipients.

On January 9th at the first township meeting of the new year, Plain Township was officially recognized by **The Military Order of the Purple Heart Chapter #699** as a **Purple Heart Township**. Plain Township is one of the first townships in the State of Ohio to have the honor bestowed upon it. The Order of the Purple Heart of Military Merit, established by General George Washington during the American Revolution, is the oldest military decoration for military merit in the world. The Purple Heart Medal is presented in the name of the President of the United States of America to members of the military wounded in combat with an instrument of war by enemy forces, and subsequently to the next of kin of members of the military killed in combat.

The Military Order of the Purple Heart was formed in 1932 and chartered by Congress in 1958, is composed of military men and women who received the Purple Heart Medal, and is the only congressionally commissioned organization comprised strictly of United States Combat Veterans. In recognition of the 1.8 million veterans who have been bestowed this prestigious medal given in the service of valor, Plain Township has taken the necessary steps to join the many other cities and villages in the nation to become a Purple Heart Township.

Summer Safety

Summertime is once again upon us, so that means many of you will be sitting around a recreational fire talking and eating hot dogs & s'mores. However, there are a few things to remember when you have your recreational fire: The wood pile size shall not be more than 3 feet in diameter and not more than 2 feet in height. Only clean, dry wood shall be used. Open burning shall not be utilized for waste disposal purposes. The fire shall be at least 25 feet from any building or structure. Fires must be registered with the fire department 24 hours in advance. **No open**

burning of any kind is permitted from 6:00am to 6:00pm during March, April, May, October and November. To register a recreational fire, please go to *plaintownship.com* and click on Departments then Fire and Rescue and on Recreational Fire Registration to fill out the appropriate information. You may also call fire administration (330)492-4089 Monday—Friday from 8:00am-4:30pm to register your fire.

The Fourth of July is right around the corner and that means people love to celebrate the holiday with fireworks. Here are a few things for your information in regards to fireworks according to the State Fire Marshal's Office: You may buy consumer or 1.4g fireworks from a licensed wholesaler or manufacturer; however, you cannot discharge any consumer or 1.4g fireworks in the State of Ohio. You must transport all fireworks purchased in Ohio out of state within 48 hours of the purchase. The only items that can be used in Ohio are designated "trick or novelty" which smoke, pop, and/or sparkle. In Ohio, use of 1.4g fireworks (fire crackers, bottle rockets, etc.) is illegal. The laws that regulate fireworks are set out in the **Ohio Revised Code, Chapter 3743** and in

Confined Space Class

the Ohio Fire Code under Rule 56. Have a safe and happy summer!!

The Plain Township Fire Department hosted a Confined Space Class at the new training facility. Members from Plain Township, Marathon Oil, Jackson Township, Canton Township and Nimishillen Township became certified in Confined Space One offered by the Ohio Fire Academy instructors. The class trained fire personnel for all types of rescue scenarios using tri-pods, lower devices and supplied air. Special thanks to Farmers Insurance (Keith Williams agent) for sponsoring food for the event.

Culvert Upgrades

If there is any culvert repair, replacement or new installation done in the R-O-W of your property, the Plain Township Road Crew will do the grading and landscaping, including seed, fertilizer and straw. We ask, when possible, for the resident to water the area the first 2 weeks, as we are not able to. Thank you for your cooperation!

Prevent Problems

Please remember not to rake leaves, grass clippings or other debris into storm sewers, ditches or streets, as keeping them clean will help reduce drainage problems. It is illegal to dump oil, antifreeze, herbicides, pesticides or other hazardous products into ditches, culverts and catch basins. All violators will be prosecuted. If you see dumping taking place, please report it to the **Stark County Health Department** at (330)493-9904.
